NOTE:

This Brisbane City Council Schedule of Fees and Charges (Schedule of Fees and Charges) represents the fees and charges (including cost recovery fees) presented to Council at the date of its annual budget meeting. Council may alter any of the fees and charges by resolution at any time prior to the next Budget Resolution.

The fees and charges have been set by reference to existing Goods and Services Tax (GST) legislation and in accordance with Australian Taxation Office (ATO) rulings. Council reserves the right to alter the GST status of any fee and charge in accordance with any changes to GST legislation and to ATO rulings.

Council has had various functions and responsibilities delegated to it under Queensland Government and Australian Government legislation. Whenever this legislation specifies the fees and charges that must be charged by Council for undertaking that function or responsibility, the value of any such fee or charge (if referred to in this document) will be automatically altered by Council to reflect any legislatively mandated changes from the date of such change. For other fees and charges set by Queensland Government and Australian Government legislation that are referred to in this document but not specified in amount, reference to that legislation is required to ascertain the current fee or charge.

In accordance with section 238 of the *City of Brisbane Act 2010*, Council has resolved to delegate to the Chief Executive Officer its powers to waive, refund, discount or remit any and all fees and charges set out in this Schedule of Fees and Charges and any fees and charges set by way of delegated power (as recorded in the Register of Delegations). For the avoidance of doubt, the Chief Executive Officer may only exercise this delegation in accordance with any notes contained in this Schedule of Fees and Charges and special conditions as set out in the Register of Delegations.

In accordance with section 238 of the *City of Brisbane Act 2010*, Council has resolved to delegate to the Chief Executive Officer its powers to set any fees and charges not otherwise set out in this Schedule of Fees and Charges. The Chief Executive Officer may only exercise this delegation in accordance with conditions as set out in the Register of Delegations.

CONCESSIONS FOR FEES AND CHARGES

As per the Brisbane City Council Revenue Statement, Council provides a range of concessions or discounts on certain fees and charges identified in the Schedule.

Below are the types of concessions.

Type 1 Religious or Charitable

Type 1 Religious or Charitable concessions apply to specific fees and charges set out in Council's Schedule of Fees and Charges.

To qualify for a Type 1 Religious or Charitable concession, the organisation must:

- (a) be a church OR
- (b) be a religious administered institution, religious school, convent, or monastery AND
 - (i) a registered charity with the Australian Charities and Not-for-profits Commission (ACNC) for the charity subtype 'advancing religion' or if registered with more than one charity subtype its primary purpose charity subtype is 'advancing religion' AND
 - (ii) apply to Council in writing to be registered as qualifying for a Type 1 concession OR
- (c)
 - (i) be a registered charity with the Australian Charities and Not-for-profits Commission (ACNC) AND
 - (ii) apply to Council in writing to be registered as qualifying for a Type 1 concession.

An eligible organisation is not required to own rateable land in order to apply for a Type 1 Religious or Charitable concession.

All applications by an organisation to be assessed as qualifying for a Type 1 Religious or Charitable concession must be made in writing to the Chief Financial Officer, Brisbane City Council by emailing cos-cf-concessions@brisbane.qld.gov.au and include a copy of the Office of Fair Trading certificate or the ACNC certificate.

Council will assess and record on its records that an organisation qualifies for a Type 1 Religious or Charitable concession. The organisation will be advised by the Chief Financial Officer of the outcome of its application.

Council may periodically review and reassess eligibility of an applicant organisation for this Type 1 Religious or Charitable concession.

Type 2 Essential Welfare or Community Service

Type 2 Essential Welfare or Community Service concessions apply to specific fees and charges set out in Council's Schedule of Fees and Charges.

Only a not-for-profit organisation that has as its principal objective to provide or support welfare services or community services is eligible for a Type 2 Essential Welfare or Community Service concession.

- (a) A not-for-profit organisation is *Welfare* focused if the principal objectives of the not-for-profit organisation are to provide:
 - (i) disability support—support, education, therapy, respite or any other form of assistance to the aged or people with disabilities or chronic illness and/or their carers
 - (ii) social support—practical support such as emergency accommodation, food, clothing, counselling, or any other form of assistance to socially disadvantaged members of the general community
- (b) A not-for-profit organisation is *Community* focused if the principal objectives of the not-for-profit organisation are to:
 - (i) promote and encourage social cohesion through the provision of community services or activities, the furthering of multiculturalism or the support of identifiable groups who may require specific support due to age, gender, religion, ethnicity, health, disability, or some other factor that sets a group apart from the general community
 - (ii) provide or support an essential service on a volunteer basis
 - (iii) encourage the appreciation and/or protection of the natural environment
 - (iv) preserve and promote the appreciation of culture or heritage.

Examples of Welfare focused not-for-profit organisations include organisations offering services such as counselling, education, research support, vocational training for the disadvantaged, advocacy, respite care, family support, substance dependence education, counselling and rehabilitation, referral, life education, sheltered workshops, guide dog training, social work, or any other service which supports or enhances the quality of life of its clients.

Examples of Community focused not-for-profit organisations include organisations offering services such as non-formal youth education and training, youth activities, personal development, cultural or ethnic activities supporting a cohesive multi-cultural society, community education, environmental awareness, social justice, arts and heritage conservation and promotion, any other activity or service which is provided by a group of volunteers that enhances the liveability, cultural diversity, environment or social cohesiveness of the Brisbane community.

An eligible organisation is not required to own rateable land in order to apply for a Type 2 Essential Welfare or Community Service concession.

All applications by an organisation to be assessed as qualifying for a Type 2 Essential Welfare or Community Service concession must be made in writing at the time of booking or application.

Type 3 Not-for-Profit Community

Type 3 Not-for-profit Community concessions apply to specific fees and charges set out in Council's Schedule of Fees and Charges.

Only incorporated not-for-profit organisations that are established for sporting, educational, recreational, cultural or community purposes are eligible for Type 3 Not-for-Profit Community concessions.

An eligible organisation is not required to own rateable land in order to apply for a Type 3 Not-for Profit Community concession.

All applications by an organisation to be assessed as qualifying for a Type 3 Not-for-profit Community concession must be made in writing at the time of booking or application.

CITY PLANNING

Infrastructure Contributions

Adopted infrastructure charges for development applications lodged from 1 July 2011 are not listed in this document. The infrastructure charges are subject to a Council resolution made pursuant to section 113 of the *Planning Act 2016* (noting that previous resolutions were made under the now repealed *Sustainable Planning Act 2009*). Council's infrastructure charges resolution may be amended from time to time to reflect a change to the maximum adopted charges prescribed by the *Planning Regulation 2017*.

For more information on the charges listed under the latest version of the Brisbane Infrastructure Charges Resolution (Charges Resolution) visit brisbane.qld.gov.au or contact Council on (07) 34038888.

Prior to 1 July 2011, conditions were imposed requiring the payment of infrastructure contributions imposed under planning scheme policies for infrastructure where those contributions were calculated by reference to an Infrastructure Charge Unit (ICU) under the Infrastructure Contributions Planning Scheme Policies.

For the purpose of calculating the amount of infrastructure contributions payable under conditions imposed prior to 1 July 2011 under the Infrastructure Contributions Planning Scheme Policies, the following applies:

The ICU rate may vary depending on the Planning Scheme Policy and network – Water Supply, Sewerage, Transport, Waterways and Community Purposes.

The ICU rate:- Infill Infrastructure Contributions Planning Scheme Policy all networks. Inner North Eastern Suburbs High Growth Infrastructure Contributions Planning Scheme Policy all networks. COMMUNITY ORGANISATIONS: LEASES AND LICENCES

Lease/Rent of Facilities

To the extent permitted under each particular lease or tenure arrangement, the following rent charges shall apply to new leases or tenure arrangements of Council land and facilities to organisations recorded on Council's records as qualifying for a Type 2 Essential Welfare or Community Service concession or eligible for a Type 3 Not-for-Profit Community concession.

Rent shall be determined on the basis of the facility type detailed below:

It should be noted that additional charges may also be applicable under each particular lease or tenure arrangement (such as water and sewerage charges, cleansing dues, fire services and environmental levies, general maintenance, legal costs and insurance).

Where appropriate (e.g. if a lessee generates significant revenues or demonstrates significant community benefit/support), Council will negotiate a percentage of equivalent commercial rent and/or a percentage of gross sales and/or other arrangements in lieu of the rent charges detailed below.

DEVELOPMENT SERVICES ASSESSMENT AND COMPLIANCE

These fees apply irrespective of whether Council's role is assessment manager, referral agency or similar role administering/assessing/deciding/providing advice on the application/matter.

These fees apply to development applications, requests for Council compliance assessment and matters under the *Planning Act 2016*, *South Bank Corporation Act 1989*, *Economic Development Act 2012*, or equivalent past or replacement legislation.

A separate fee is to be calculated for each assessable component of an application.

For staged development, each development stage is treated as a separate assessable component for fee purposes.

Applications involving extensions to existing approved development will be charged for the new development component only.

Applications involving more than one development description (e.g. mixed-use development for multiple dwelling and shop) will be charged the sum of the fees for each assessable component.

Applications involving Material Change of Use and building work components (where the building work is explicitly in relation to the Material Change of Use) will only be charged an assessment fee for the Material Change of Use component.

An administration fee may apply for amendments to lodgement documentation (including fee quotes) or incomplete lodgement by an applicant.

Council's RiskSMART process can streamline the way certain types of straightforward development applications are assessed. For a development application to be accepted into RiskSMART it must meet the required eligible development types. For more information about RiskSMART eligibility visit brisbane.qld.gov.au.

Where an application under the *Environmental Protection Act 1994* involves an Environmentally Relevant Activity (ERA), additional assessment fees will apply – refer to the "Environment Protection – Environmentally Relevant Activity" section under LICENSING AND PERMITS.

An applicant may request a fee refund after withdrawing a development application (Chapter 3, *Planning Act 2016*). All fee refund requests are to be made in writing to Council and a decision for a refund will be made by Council on a case-by-case basis. A withdrawn application may receive:

- 75% refund for a development application at the application stage
- 50% refund for a development application at the information stage

Schedule of Fees and Charges 2026-27

Description	Unit	Base Charge	GST	Final Charge	City of Brisbane Act 2010	Specific legislation (whether an Act or Local Law)
– 25% refund for a development application at the public notification stage; or – nil refund for a development application at the decision stage The above percentage refunds are to be read as a guide only. Any potential refund will be assessed and determined on a case-by-case basis, which may vary from the nominal percentages listed. A customer may request in writing to Council a fee refund after withdrawing an application or request for service which is not for a development application (Chapter 3, <i>Planning Act 2016</i>). Any fee refunds given will be assessed and determined on a case-by-case basis at the discretion of Council. Development Services assessment and compliance fees and charges may be reduced where it is demonstrated that exceptional circumstances support a reduced fee. Any fee reductions given are determined at the discretion of Council. A concession of 50% of the fee may be allowed in respect of Development Services assessment and compliance fees paid on behalf of organisations recorded on Council's records as qualifying for a Type 1 Religious or Charitable; or Type 2 Essential Welfare or Community Service; or Type 3 Not-for-profit Community concession. Where the proposal is primarily for commercial purposes (including retirement facility, childcare facility, shop, food and drink outlet) or subdivision, no concession will be allowed. Referral agency response to referrals required under the <i>Planning Act 2016</i>, unless stated otherwise, the fee for a request for a referral agency response to certain referrals (published on Council's website) is the same as the fee applied where Council is the assessment manager for development. Development Services assessment fees and charges – points-based fee calculation system: – Development Services have applied a fee calculation methodology utilising a points system which is applied to most of Development Services' fees. The point system allocates a number of points to a fee for service, for the purpose of setting a dollar value. – The dollar value of a point will be defined by this Schedule of Fees and Charges, with each Development Services fee for service also being defined in this Schedule of Fees and Charges as a dollar value. – Development Services' regular annual fees and charges brochure will reflect the points-based fee calculation system. The dollar value of a point for the 2026-27 financial year is \$150.00. Council may determine an appropriate fee for an application, request, or service not otherwise specified in the fee schedule.

Note 3: If a structure plan or centre concept plan is required by the local planning instrument, this fee is to be paid prior to the application being considered properly made.

Operational Work and Council Compliance Assessment Fees (including Compliance and Inspections where applicable)

In deciding a Material Change of Use, Building work, or Reconfiguring a Lot application, the development approval may condition the need to lodge a subsequent operational work application/plan or a Council compliance assessment. For example, if a condition has the phrasing 'Submit for the approval of Development Services' or 'Submit and obtain endorsement from Development Services' (or the like) then you will need to lodge an application for approval that will attract one of the below fees. The below fees are charged for each stage of development, regardless of the timing of the lodgement.

Note 1: The Council compliance assessment application fees below are inclusive of Development Services compliance and inspection fees. See 'Compliance and Inspection Fees' section below for more information.

Note 2: Where more than one type of management plan is contained within a combined management plan document, each plan contained within the document requiring assessment or approval will attract a fee (e.g. a single environmental management plan document containing multiple plan types such as: site-based stormwater quality management plan; acid sulphate soils management plan; and noise management plan, will attract a fee for each plan type).

Note 3: Where a fee for Council compliance assessment refers to "post-assessment activities", this includes, for each plan component of the development, any work or activity involving one or more of the following:

- Pre-start meeting
- Contributed assets
- Where the inspection of work or an activity is conditioned or reasonably required to ensure compliance with Council's expected outcome
- As determined by Council

Note. Stand-alone operational work refers to approved assessable operational work not directly related to a reconfiguring a lot.

Compliance and inspection fees associated with Material change of use and/or Building work

For Council compliance assessment application paid under the 2022-23 fee schedule onwards, compliance and inspection fees for development involving a Material change of use and/or Building work are inclusive in the Council compliance assessment application fee where applicable. Prior to the commencement of site, commencement of use, or building work occurring (whichever comes first) for the development, the applicant or their representee must advise Council of the pending commencement of work, and where applicable book pre-start meeting/s with Council. No further compliance and inspection fees are required to be paid, except where a fee may be issued under the Additional compliance fees section below, and/or the development involves a Reconfiguration of a Lot, and/or the development did not require a Council compliance assessment application.

Developments involving a Council compliance assessment application paid under the 2021-22 fee schedule (or prior), where no compliance and inspections fees were received by Council during that period, a compliance and inspection fee is required in accordance with the below. The fee is to be paid prior to the commencement of site, commencement of use, or building work occurring (whichever comes first) for the development, AND the applicant or their representee must advise Council of the pending commencement of work, and where applicable book pre-start meeting/s with Council at the time of payment.

The compliance and inspection fees for development approved under a previous charging model will be charged in alignment to the plan type of the Council compliance assessment, and the nature of the development as per the below.

Brisbane City Council

Schedule of Fees and Charges 2026-27

Description	Unit	Base Charge	GST	Final Charge	City of Brisbane Act 2010	Specific legislation (whether an Act or Local Law)
Organisations qualifying for a Type 1 Religious or Charitable or a Type 2 Essential Welfare or Community Services concession will be charged only the external costs incurred in relation to awareness campaign. These are costs that Council is obliged to pay to third parties to enable the service to be delivered. Applicants will be advised of these costs by Council in response to the style of lighting requested. A registered organisation or community group must submit applications, where the individual completing the application has the authority to do so on behalf of that organisation. Applications are not accepted from individuals. Applications are accepted up to twelve months in advance of the requested booking date. Hang a Bridge Banner bookings are for a maximum of two weeks per location, to a total of four locations per annum, per organisation. Hang a Bridge Banner fees only include the installation and removal of banners. Any costs associated with design, production or delivery of the banners is external to these fees and are arranged and payable by the applicant. Some of Council's public buildings, bridges and other structures are available for themed coloured lighting or banners to help promote events or not-for-profit awareness. A full list of the current locations, assets and colours for Light Up Brisbane and Hang a Banner, can be found on Council's website: brisbane.qld.gov.au under the 'Laws and Permits' tab. The lighting of managed assets is reserved for significant city, state and national events and will be assessed on application for suitability. For events or awareness campaigns of less than one week, approval will only be given for a maximum light up period of one day. For events or awareness campaigns with a duration of one week or more, approval will be considered up to a maximum of seven days subject to availability. Light Ups are on occasion promoted on Council's Website, and Social Media pages. This may include a photograph showing the managed asset lit up to the organisation's specifications. Refer to the booking material for further details. Council's 24-hour Contact Centre is also informed so that they can disseminate this information to the public. Council reserves the right to use and maintain their assets during a booking period. Times may be blocked out due to maintenance. Council reserves the right to remove or reject any banner that does not satisfy the conditions of approval. Council takes no responsibility for the loss of banners. City Hall and King George Square Event bookings prices are provided at the time a booking is requested. With the exception of the packages listed, the fees quoted are for one banner only. Assessment of Light Up Brisbane and Hang a Banner bookings, and the application fees and charges will be determined from time to time, by Council.

PLUMBING AND DRAINAGE FEES

For the purpose of the *Plumbing and Drainage Act 2018*, wherever a fee or charge is prescribed by this resolution for performing a function under the *Plumbing and Drainage Act 2018*, the fee or charge is payable by the person who makes application to Council for the performance of that function to which the fee or charge relates, or, if no application is made, by the person on whose property the works (subject of the fee or charge) have occurred. Payment of the fee needs to occur at the time of lodgement of the application and/or before the request for the service.

A concession of 50% of permit application fees shall be allowed for applications relating to single class 1a or 10a buildings received on behalf of organisations qualifying for Type 1 Religious or Charitable; or Type 2 Essential Welfare or Community Service; or Type 3 Not-for-profit Community concessions. Where a proposal is primarily for commercial purposes, no concession will be allowed.

A discount of 50% of the inspection fee paid at lodgement for plumbing and drainage for a new single class 1a dwelling house, secondary dwelling, and/or associated class 10a building will be allowed for applications where two or more inspections are conducted virtually. Failed inspections do not count towards discount.

Applicants may request a fee refund when withdrawing an application or not proceeding with the development.

All fee refund requests are to be made in writing to Council and a decision for a refund will be made by Council on a case-by-case basis.

A refund processing fee may be retained by Council.

A withdrawn or otherwise not proceeding application involving more than one inspection may receive:

- 50% refund of the permit application fee if technical assessment has not commenced (where applicable) and permit has not been issued

- 100% refund of additional assessment fee/s if the additional assessment has not commenced (e.g. hydraulic plan assessment, express assessment, on-site sewage facility and greywater assessment)

- 100% refund of inspection fees if no inspections have been performed

- If inspections have been performed, requests for refunds of inspection fees will be considered on a case-by-case basis.

Schedule of Fees and Charges 2026-27

Description	Unit	Base Charge	GST	Final Charge	City of Brisbane Act 2010	Specific legislation (whether an Act or Local Law)
Note 1: Inspections performed include late cancellations (cancellations made by 2pm the day prior to the scheduled inspection). Also applies to additional inspections. Note 2: Greywater fees are charged in addition to plumbing assessment and inspection fees. Where a greywater application is lodged in conjunction with a new class 1a or 10a building, the required inspection/s of the greywater system installation may be included in the allocated inspections for the building. Note 3: For priority and after-hours inspection bookings to be considered for a refund the inspection must be cancelled: a) Prior to 2pm, or the scheduled inspection time, whichever comes first, for same-day afternoon or evening bookings, or b) Prior to 2pm the business day before a morning or weekend booking. Note 4: Nil refund of additional fee for permit applications not lodged via the online portal, and additional fee for hardcore lodgement scanning and preparation fee (where applicable) once application is lodged. Note 5: For inspections relating to permit applications for Class 1b-9 buildings, including Class 1a dwellings where more than two dwelling units are within a Community Titles Scheme or are connected to common drainage infrastructure, the delegate may impose an additional permit inspection fee where booked permit inspections have been repeatedly or consistently misused.
